

PMP® Exam Preparation Course

Training Centre CS Global, Skopje
24-27 September 2008
35 contact hours

Instructor:

Alexander Apostolov, PMP, TSPM

Increasingly, companies all over the world are recognizing the value that project management can provide to their performance. Project Management Professional (PMP®) certification has become the most recognized credential for the practice of the rapidly evolving profession of project management. This PMBOK®-aligned course prepares you for Project Management Professional (PMP®) certification examination and raises your project management skills to a more advanced level of performance. With successful attending of this course you will get 35 contact hours, which are necessary for the PMP® exam.

Learning Objectives

At the end of this class, participants will be prepared to:

- ▶ Apply an advanced knowledge of the project management based on the PMBOK® model
- ▶ Recognize both the content and format of examination questions
- ▶ Identify weak areas that require more individual study
- ▶ Pass the Project Management Professional (PMP®) certification examination

Who Should Attend

- ▶ Managers and project managers seeking PMP certification
- ▶ Mid-career professionals who seek to further develop their project management skills

Course Outline

This course provides an overview of project management and covers the nine knowledge areas identified in the PMBOK® along with a section on Professional Responsibilities:

- ▶ Project Integration Management
- ▶ Project Scope Management
- ▶ Project Time Management
- ▶ Project Cost Management
- ▶ Project Quality Management
- ▶ Project Human Resource Management
- ▶ Project Communications Management
- ▶ Project Risk Management
- ▶ Project Procurement Management
- ▶ Professional Responsibilities

About the Instructor:

Alexander Apostolov is professional project manager with more than 15 years of experience in managing IT, construction, institutional strengthening, social and other projects – most of them financed by international organizations like EU, USAID, etc. Alexander is Managing Director of TenStep Bulgaria and Projecta Ltd., founder and president of the Bulgarian Project Management Association and member of the Council of the International Project Management Association (IPMA). He is author of two books and several training courses in project management.

Alexander Apostolov is a certified Project Management Professional (PMP) from Project Management Institute (USA). He also holds PRINCE2 project management certificate, Project Management for Information Systems Certificate from British Computer Society and TenStep Project Manager Certificate. He has trained more than 1500 professionals on various project management topics.
